Gameplay and Features For extended uninterrupted gameplay, each gamer only has about 30 seconds to set up and complete a shot. If this time is spent, you lose the turn, and the opponent will also have the opportunity to move the ball to whatever position they want. To win, push all the balls in the hole and the final result from number 8. In addition to in-game account money, any turn, whether win or lose, players will earn experience points. Earn lots of experience points to upgrade, allowing you to unlock more challenging levels in the game. The main features in 8 Ball Pool include: Fight 1 - 1 or in 8-player Tournaments - Perfect your skills by participating in 1 - 1 matches or participating in contests to win. Pool Points and Valuable Items - Customize the cue ball and table. Each opponent in the 1 - 1 game mode has its Pool Coins staked. If you win, the money is yours. Players can use them to participate in matches with higher odds or buy new items in the Pool Shop; Challenge Friends - Sign in with your Miniclip or Facebook account to play with friends. Level-up - The game's system-level means that players are always up to the challenge. Play matches to boost rankings and get access to more amazing matches where gamers will remove other best players. Attractive Locations - There are many locations, but gamers start the journey from the smallest to get used to the controls, accumulating money and experience. Each new position is more complicated than the previous one; Upgrade Cue - Gamers have the opportunity to buy a variety of cues. In general, the higher the level, the more cue to purchase but not always have a chance to buy them. Gamers can buy certain cue types for only real money. Collect other kinds of pieces to make rewards. There are also popular cues for purchase in-game currency. Graphics Review Graphics and sound are difficult to judge when it comes to a billiard simulator. Everything takes place on the table during the competition in high-quality visuals. Billiard game developers are continually improving the parameters to make the game as close to reality as possible. The ball works like a real ball, and the trajectory is not straightforward. The sound experience is quite realistic. Enjoy being a winner with sounds of cheers or applause. Tips for New Gamers For starters, it will take a while to understand. The top-secret in this game is to be wise, take note of what other gamers are doing and anticipate their next move to proceed or change strategies accordingly. Besides, there are specific rules of 8 ball billiards that also need to be considered. 8 Ball Pool is an entertainment game developed with the help of many useful scripts.
